What We All Can Do While Our Country Is At War

1. **Pray for peace.**
   - **Peace among nations**
   - **Peace in human hearts**
2. **Pray for the peacemakers everywhere.**
3. **Pray for our military personnel.**
4. **Pray for the Iraqi people.**
5. **Don’t demonize people with whom you disagree. Don’t demonize President Bush or other government officials**
6. **Speak up. Make your opinions known. Nothing is more patriotic.**
7. **Respect those who do not share your convictions. Listen carefully.**
8. **Press for international cooperation and compassion in rebuilding what war destroys.**
9. **Advocate for reordered priorities in the future that employ more national resources for the things that make for peace — food, medical care, shelter, education, economic security, human rights — than war-making.**
